8

Becoming a Medicare Diabetes Prevention Program (MDPP) Supplier

- Step 2 – Complete the Organizational Capacity Assessment
 - <https://www.cdc.gov/diabetes/prevention/pdf/capacity-assessment.pdf>

Category	MDPP Requirement	Organizational Capacity Assessment	Yes	No	Not Applicable
General	1. The program is a stand-alone program or a dedicated program within an existing program.	1. The program is a stand-alone program or a dedicated program within an existing program.			
	2. The program is a stand-alone program or a dedicated program within an existing program.	2. The program is a stand-alone program or a dedicated program within an existing program.			
Personnel	3. The program has a designated staff member responsible for program management.	3. The program has a designated staff member responsible for program management.			
	4. The program has a designated staff member responsible for program management.	4. The program has a designated staff member responsible for program management.			
Facilities	5. The program has a designated staff member responsible for program management.	5. The program has a designated staff member responsible for program management.			
	6. The program has a designated staff member responsible for program management.	6. The program has a designated staff member responsible for program management.			

9

Becoming a Medicare Diabetes Prevention Program (MDPP) Supplier

• Step 3 – Build your MDPP Team

- Reimbursement Specialist
- Compliance officer
- Billing department staff
- Coding team leaders
- IT specialist (EMR)
- Legal Team/Contracting
- Registration Staff
- Diabetes Prevention Program Coordinator
- Leadership

10

Becoming a Medicare Diabetes Prevention Program (MDPP) Supplier

- Step 4
 - Provide CMS with CDC Recognition status
 - May be preliminary or full recognition
 - Will need your full recognition letter from CDC

#AADE19

11

Becoming a Medicare Diabetes Prevention Program (MDPP) Supplier

- Step 5
 - Obtain NPI for each coach
 - May use “Health Educator” if no other qualifying classification
 - <http://www.wpc-edi.com/reference/codelists/healthcare/health-care-provider-taxonomy-code-set/>

#AADE19

12

Becoming a Medicare Diabetes Prevention Program (MDPP) Supplier

- Step 6
 - Find your Medicare Administrative Contractor (MAC) which processed claims to process enrollment applications and claims
 - <https://www.cms.gov/Medicare/Medicare-contracting/medicare-administrative-contractors/downloads/MACs-by-State-July-2016.pdf>

#AADE19

13

Becoming a Medicare Diabetes Prevention Program (MDPP) Supplier

- Step 7
 - Make sure your billing/coding team is ready, and codes are in your EMR
 - Develop spreadsheet for documenting billing
 - Develop tip sheet for coaches with billing codes
 - Learn regulations for MDPP suppliers
 - <https://www.federalregister.gov/documents/2017/11/15/2017-23953/medicare-program-revisions-to-payment-policies-under-the-physician-fee-schedule-and-other-revisions>

#AADE19

14

Becoming a Medicare Diabetes Prevention Program (MDPP) Supplier

- Step 8
 - Enroll as a MDPP supplier by paper or electronically by PECOS (Provider Enrollment Chain and Ownership System)
 - May take 80-180 days
 - Must enroll as MDPP supplier even if you already bill Medicare for DSMT and MNT

#AADE19

15

Becoming a Medicare Diabetes Prevention Program (MDPP) Supplier

- Challenges
 - Waiting period for approval
 - o May impact cohort scheduling
 - Complex Billing structure
 - o Pay for performance vs. fee for service
 - MDPP rules are unique for Medicare services
 - o Different than DSME
 - Additional "paperwork" –
 - o May need 2 coaches or administrative support for each session
 - MDPP Crosswalk
 - o Keep good records

#AADE19

16

Other Reimbursement Models for DPP

- Self-pay – If choose to have a Self-pay option work with your compliance officer to set up the rates
- Third-party - May help with billing if your organization does not have system in place OR may not be necessary and too complicated
- Commercial insurance – Contracting is necessary
- Wellness benefit – Work with local employers and convince them of coverage with ROI and cost savings discussions
