The New Normal:  
**Digital & Automated**

<p>Pre-authorizations auto-populated in EMR and approved via e-signature.</p> <b>STATUS</b>	<p>Simpler and shorter processes.</p> <b>BENEFITS</b>
<p>Need internal champion(s), IT knowledge and infrastructure.</p> <b>DRAWBACKS</b>	<p>Contact your IT team or EMR vendor to schedule exploratory meeting!</p> <b>ACTION</b>

### Situation: Adoption without Efficiency

Culture of technology already existed, but clinic processes did not accommodate.

Device use increased the duration of appointments.
