## YOU MAY BE ABLE TO SAVE 40% ON INSULIN

If your high deductible means you're paying a high price, the answer may be inside

# START SPENDING LESS FOR YOUR INSULIN

If you're in a high-deductible plan, you may be required to pay the full retail price of your insulin at some point during the year. Now, through Lilly's discount program, you may be able to reduce your cost at [BlinkHealth.com](https://www.blinkhealth.com).

- Up to **40% off** your insulin
- Acceptance nationwide at more than **60,000 pharmacies**
- No membership fees

## WHAT YOU NEED TO KNOW

- Please **consider your current prescription insurance coverage each month** before using this program.
- Buying your insulin through this program **may not count toward your deductible**.
- **Once your deductible has been met**, it may be less expensive to go through your insurance company.

## HOW DOES IT WORK?

With this discount program, you can save money on your prescription whether you have insurance or not.

**Simply follow these 5 steps:**

**STEP 1**  
Visit [BlinkHealth.com](https://www.blinkhealth.com) or download the app to search for your medication

**STEP 2**  
Pay for your prescription online

**STEP 3**  
Print out your Blink card or use the app. It will also be texted to you

**STEP 4**  
Go to the pharmacy of your choice to pick up your prescription

**STEP 5**  
Show your Blink card to the pharmacist and pay nothing additional

## SAVE AGAIN AND AGAIN

You can use this Lilly discount program for refills as well as for new prescriptions. Each time you fill a prescription, please compare your cost with this program to your prescription insurance options before deciding.

## NEW PRESCRIPTION?

You can fill your prescription at the pharmacy, or your doctor can call in the prescription or e-prescribe. If you are unsure about how much insulin to purchase through this program, check with your doctor or pharmacist first.

## EXISTING PRESCRIPTION?

Request your refill from the pharmacy as you normally do and ask your pharmacist to process Blink as the primary payer (this just means you've already paid online).

To access Lilly's discount program, search for a Lilly insulin at [BlinkHealth.com](https://www.blinkhealth.com)

For on-the-go access, download the Blink Health mobile app to your Android or iOS device.
